

## Canopy Teen Urban Foresters (Summer Session)

Canopy is seeking high school students to join the Teen Urban Forester (TUF) team! As a Teen Urban Forester, you will make a positive impact in your community and the environment, gain work experience, gain experience as a leader, and gain knowledge about trees.

Canopy is a non-profit urban forestry organization. We educate residents about the importance and benefits of trees in the urban environment, inspire environmental stewardship and engage residents in planting and tree care in Palo Alto, East Palo Alto, and neighboring communities.

### Summer Session Details

- Part time: 10-12 hours/week
- Thursday and Friday afternoon, Saturday mornings
- Starting pay: \$11/hour
- Responsibilities include: Caring for trees by pruning, watering, weeding, mulching, leading volunteers, and helping at events
- Training topics include: Tree pruning, tree care, tree identification (more topics covered in the fall)
- Possibility to continue working during the school year

### Preferred Qualifications:

- Current high school sophomore or junior
- Dedication to excellence
- Responsible and punctual
- Good communication skills
- Experience volunteering is a plus
- Experience with trees or gardening is a plus, but not required

**To apply:** Fill out the online application or contact Tree Care & Education Manager, Natalia Schooli, at [natalia@canopy.org](mailto:natalia@canopy.org) or 650-964-6110.
