

# JOSEPH McNEIL, CONSULTING ARBORIST

---

## PROFESSIONAL BIOGRAPHY SUMMARY

Joe McNeil holds a Landscape Contractor's license and lifetime Community College teaching credential from the State of California, is a Board Certified Master Arborist, a Registered Consulting Arborist and a Qualified Tree Risk Assessor. He has served on the Board of Directors of the American Society of Consulting Arborists and chaired that society's committee on Standards of Professional Practice.

From 2004 he has been on the International Society of Arboriculture's Plant Appraisal and Valuation Committee, working as Chair from 2007 through the present time.

Joe operated a tree service for 24 years before becoming a full-time arboricultural consultant in 1995. His practice focuses on inventory and management of mature and young trees on construction sites or for homeowner's associations, tree risk management for various clients including public agencies, insurance companies, or individuals, and plant appraisal. Joe is often asked to provide litigation support in these categories.
