

# Memorial Tree Planting Ceremony: \$1,000

Planting a tree together can be powerful and healing.

*"When we plant trees," says Nobel Peace Laureate Wangari Maathai, "we plant the seeds of peace and the seeds of hope."*

A private **memorial tree planting ceremony** is designed to be personal and meaningful for you and your loved ones.

You choose:

- Ceremony date and time
- Planting location (Canopy will help ensure the site is appropriate for your tree)
- Tree species (Canopy can recommend climate- and site-appropriate options)

Canopy handles:

- Sourcing and purchasing a healthy tree
- Finding a planting site, if desired
- Ensuring the planting site and tree species are well-suited to one another
- For plantings in public areas (e.g. school or park), obtaining permission from the City, County, School District, or Parks Dept.
- All tree planting logistics:
  - Tools and gloves for all participants
  - Preparing the planting site before the ceremony
  - Guiding participants during the ceremony to ensure the tree is properly planted
  - Securing water access
  - Providing detailed tree care info for anyone who will care for the tree
- Two tree check-ups after the planting.
